

Make a difference

By So Yuen Nam, Fiona

F G C Bm Am

Our only Earth in the unique world gives us home and lives

F G C

All our needs she unreservedly provides

F G C Bm Am

Beautiful natural scenes captured in our eyes

F G C

How many times we treasure them in our minds?

Em Am G Am

Desiring energy, let's get from oil

F G G/Am Am

Consuming papers, let's destroy the trees

Am B^b C Dm

Lusting for poverty, let's mind the gold

B^b C C/Dm Dm C Dm

Are there images of the exhausted Earth in our soul?

F G Em Am

Many resources in our Earth are not renewable

F G Em Am

It is essential to find the use sustainable

B^b C D E

Today, is time for us bond together, stop exhausting, get the balance

F G C

for our blue planet belonging to us

F G C Bm Am

We need a difference need a difference

F G C

to keep the best for our next generation

F G C Bm Am

We can make a difference make a difference

F G F Bb

to treasure our home, care our Earth

B^b C D E F

Don't hesitate, bond together, share your power, save our blue planet

G F C

for giving thanks to our mother Earth
